Prince Michel Soutzo
Str. Romana 4
Bukarest, Rumania

Dear Sir:

The American Numismatic Society is very anxious to secure a file of the bulletin of the Rumanian Numismatic Society. May I ask your kind offices in referring this letter to the proper person in Bukarest, with the request that he communicate to us the cost of a complete set of this periodical?

If you have learned of any hoards of the coins of Alexander the Great, discovered during or since the war, I am sure that our President, Mr. Edward T. Newell, would be glad to have you tell us about them.

With assurances of cordial esteem, I beg to subscribe myself

Very respectfully yours,

Secretary
